Training Venue and Dates

Total Quality Management (TQM) in operations, support and service functions	5	12-16 February, 2024	\$5,500	Dubai, UAE
--	----------	-----------------------------	----------------	-------------------

Trainings will be conducted in any of the 5 star hotels.

Training Fees

- **5,500 US\$ per participant for Public Training includes Materials/Handouts, tea/coffee breaks, refreshments & Buffet Lunch.**

Training Certificate

Prolific Consultants FZE Certificate of Course Completion will be issued to all attendees.

TRAINING OVERVIEW

COURSE DESCRIPTION

This training course will help participants understand total quality concept and techniques for managing, controlling, and improving quality. This course exposes participants to contemporary knowledge and techniques of TQM. This would in turn enable the participant to articulate and implement quality improvement processes in the workplace, in line with the philosophy of Total Quality Management.

COURSE OBJECTIVE:

By the end of the course, participants will be able to:

- **Explain the importance of quality models and identify various quality concepts and frameworks used by quality gurus**
- **Discover the success elements of Total Quality Management (TQM) deployment**
- **Use TQM improvement tools to enhance customer satisfaction and improve processes within their organization**
- **Describe various types of benchmarking tools and techniques to boost quality initiatives**
- **Apply widely used improvement methodologies**

SUITABLE FOR:

Individuals, managers, supervisors and all those who are engaged in quality models, awards, ISO and TQM implementation as well as improving organizational performance.

TRAINING METHODOLOGY:

A highly interactive combination of lecture and discussion sessions will be managed to maximize the amount and quality of information, knowledge and experience transfer. The sessions will start by raising the most relevant questions, and motivate everybody finding the right answers. The attendants will also be encouraged to raise more of their own questions and to share developing the right answers using their own analysis and experience.

All presentations are made in excellent colorful power point. Very useful Course Materials will be given.
